READMISSION

Previously registered University of Guelph students must apply to
Admission Services for readmission under any of the conditions outlined
below. In some cases, applicants may reapply for the Fall entry point only.
Applicants should contact Admission Services for details if:

1. They were required to withdraw from their program for a period of two
or more semesters.
2. They were suspended from the University for academic misconduct.
3. They have graduated from this University and wish to register for
additional courses.
4. Since their most recent registration at the University of Guelph,
they registered in a program or courses at another post-secondary
institution and wish to return to the University of Guelph.
5. They have not registered at the University of Guelph for six or more
consecutive semesters.
6. They are attending the University of Guelph on a Letter of Permission
and wish to continue beyond the term of the letter of permission
agreement.

Readmission to a program at the University of Guelph is not guaranteed.
Students who are required to withdraw must apply for readmission to the
University after completing the minimum two semesters of rustication.
Students should consult sub-sections regarding appropriate admission
requirements and deadline dates in this Chapter (IV–Admission
Information). Applications for readmission should include a support letter
which outlines the basis for readmission. Criteria used for readmission
may differ by academic program. Students considering readmission
should consult with the appropriate Admission Counsellor regarding
procedures and criteria for readmission to that program.

To be considered for readmission, students should apply through
the Application for Internal Transfer or Readmission (https://
admission.uoguelph.ca/internal/). An application fee is payable at the
time the application is submitted.

On December 19, 1995, the University Senate approved the following
policy for the granting of credit while on rustication:

1. Students who have been required to withdraw, and who take
university credit courses during their rustication period, will be eligible
for up to 1.00 credit provided they meet the criteria for readmission
and the criteria for the transfer of credit. Students registered for
courses through the Open Learning program are not permitted to
attend courses on campus.
2. Students who take university courses after the two-semester
rustication period may normally transfer all these credits provided
the student meets the criteria for readmission and the criteria for the
transfer of credit.
3. Students who have been suspended for academic misconduct will
not receive any credit for courses taken during the suspension period.

Note: This policy applies to any university credit course taken during the
rustication period.
